Twitter

This year at Champs, we are offering a new experimental service. Swimmers will be called to the Clerk of the Course via Twitter, as well as the traditional public address announcements.

Step 1: Open up the Twitter app on your phone. If you don't have the Twitter app on your phone, go to your app store, download the app and follow the sign-up instructions.

Step 2: Follow [@JSSLChamps](https://twitter.com/jsslchamps) on Twitter <https://twitter.com/jsslchamps>

Step 3: TURN ON NOTIFICATIONS

Step 4: Did you turn on notifications? If you didn't, your phone won't buzz you and you will be forced to rely on the public address system.

Step 5: Whenever [@JSSLChamps](https://twitter.com/jsslchamps) tweets, you will receive clerk of course notifications on your phone. Escort your swimmers as instructed.

We emphasize that the Twitter service is experimental and secondary to the public address system. **Please continue to listen for the audio announcements** and do not rely solely on Twitter, as we are in year 2 of augmenting the public address system with Twitter.
