Meet Coordinator's Packet

July 16, 2017
De Anza College

Overview of Meet Coordinator's Responsibilities

The Meet Coordinator is the liaison between the league rep and board, the hosting team, and your own team. It is the overall responsibility of the Meet Coordinator to ensure your team's volunteers and coaches are aware of their responsibilities and that all deadlines are met. Your responsibilities are as follows:

- Read/study this packet.
- Verify your coach and assistant coaches have received the Coach's Packet.
- Your team is responsible for filling a number of volunteer positions. Kelly Walsh (kelly_a_walsh@yahoo.com) will send your volunteer coordinator the complete list of required positions by June 25th. Volunteer names, email addresses, and cell numbers are due back to Kelly by **Saturday, July 8th**.
 - If possible, use people who have done the jobs at previous dual or Champs meets.
 - All timers should have experience timing at dual meets.
- Attend **Monday, July 10th prep meeting at Brookside pool at 7:00 pm**. All Meet Coordinators, Volunteer Coordinators and Head Position volunteers from your team should attend. If any volunteers are not able to attend, please appoint a substitute and let Heather LeRoy (heather@leroy.com) know who that will be.
- Review deadlines with:
 - Your volunteer coordinator and your team's other head volunteer positions,
 - Your MDM (Data Person), and
 - Your coaches.
- Ensure entry fees and your team's meet entry files are submitted on time.
- Prepare nametags for team volunteers – or ask your team's volunteer coordinator to do this.
- Collect required equipment assigned to your team and bring to Champs; see equipment list on page 11. Note: Some equipment must be delivered to De Anza on **Saturday, July 15th at 12:00pm**.
- Ensure your parent volunteers know where to go on the morning of Champs for their morning meetings. See the Morning Meetings map on the last page of this packet.
- Specific duties for the day of Champs are **outlined below**.

Some Details for 2017 Champs:

No strollers, wagons, chairs, tents, or umbrellas are allowed in the bleacher areas. Bleachers are designated as "Competition Viewing Areas" (see Maps). The competition viewing areas are not to be used as spaces to "camp-out" during the entire meet. Umbrellas and tents block the view. The competition viewing areas are for everyone to share. Also, for safety reasons, nothing (sleeping bags, chairs, tarps, towels, etc.) can obstruct the designated walkways on the upper deck and must remain clear. Blocked areas will be marked with tape.

Day of Champs

- Meet at 7:00 am at the Volunteer Check-in tables (A on map). Volunteer check-in begins at 7:15.
- Bring any remaining equipment or supplies. Unless otherwise noted, supplies should be brought to the Head Table the morning of Champs.
- Pick up a bright colored vest from the Head Table (return it to the Head Table at the end of the meet).
- Provide name tags for your volunteers. Kelly Walsh will provide your club's deck passes at 7:15 am.
- For the next hour and 45 minutes, you need to ensure your volunteers show up, check in, get their nametags and passes, and attend their morning meetings. Handle any substitutions that may arise.

Meet Coordinator's Packet

- **No verbal swaps of volunteer positions.** If swapping, please advise coordinator with name and cell phone numbers.
- Take note of the order for Team Cheers and work with your coaches/jr. coaches to be ready.
Eichler, Greenmeadow, Saratoga Woods, Brookside, Cupertino Hills, Laurelwood
- Be available to your volunteers throughout the day for questions.
- At end of the meet, ensure all deck passes are returned to the Head Table or to Kelly Walsh.
- Designate one person from your club to pick up trophies (i.e. High Point Winner, etc.) from the Head Table at the end of the meet.

Supplies to keep with you during Champs

- Keep at least one copy of your volunteer assignment sheet with you at all times during Champs **with cell phone numbers of all volunteers.** Provide copies to those assisting you during the meet.
- Team roster
- Cell phone!
- Bright colored vest – wear this vest so you can be easily seen and located.

Meet Entries

The meet entry process is delivered electronically. Your team's meet data manager (MDM) will have information about this process. You will follow up to make sure the Meet Entry process is completed by the following deadlines:

Sat July 8	Last dual meet
Sun July 9, 10am	Send final meet entries file to Greenmeadow (Karrie Chen, swkarrie@yahoo.com).
Sun July 9, evening	Greenmeadow sends coaches/MDM their entry report to check for errors.
Mon July 10, 6pm	Coaches/MDM submit errors to Greenmeadow (Karrie Chen, swkarrie@yahoo.com).
Mon July 10, 6pm	No meet entry changes after 6pm July 10th. Greenmeadow delivers the final file to FastLane Tek (data management) & Laurelwood (for programs) after making final changes and generating reports for each team. Greenmeadow sends relay cards to coaches.
Sun July 16, 9am	Relay teams must be submitted to head table (4 primary and 4 alternate swimmers for each relay event)

Coaches are ultimately responsible for team's meet entries, but many coaches work with their MDMs, who keep the personal best times and handle entries. Swimmers will not swim at Champs without submitting an entry by July 10th; **entries will not be accepted the day of the meet.**

Clean-up: Clean-up crews consist of 3 teams: Trash/Lost & Found, Tables & Chairs, and Teardown (EZ-ups, cones, buckets, etc). Each club is responsible for cleaning its assigned seating section in the bleachers and team area before leaving. All EZ-ups must be taken down and removed by teams that own them. Clean-up crews are to meet the **Head Teardown Volunteer** at the Clerk of Course following the relays. Clean-up must be complete before each team leaves De Anza. Any cleaning expenses will be allocated to a team whose area requires De Anza to clean it. All trash bags should be hauled to the front entrance of the pool.

If time permits there will be a brief awards ceremony for individual and team awards. The announcer will announce plans for the awards ceremony towards the end of the meet. Otherwise, meet coordinators can pick up their team's awards following "clean-up" clearance.

Lost and Found items can be reclaimed at location 3 on the map (First Aid station). Remaining lost and found items need to be cleared from De Anza (attempt to notify owners or donate items to charity).

Deck passes should be returned to Kelly Walsh or the head table.

Description of Meet Flow

Head volunteers will review processes with each volunteer group during morning meetings the day of Champs.

There is no designated area for swimmer check-in – each team can handle check-in on its own. Heat/lane assignments will be printed in the Program and posted outside the venue near the main entrance. Please write event, heat, and lane on swimmers' arms.

Parents should deliver their children to the stairs above the clerk of course area at appropriate times. Clerks of Course will check for correct heat and lane assignments. Parents are NOT allowed on the pool deck area or in the Clerk of Course area. Starting block workers will be stationed behind the starting blocks for the entirety of the meet.

Flyover starts will be used for 9/10 freestyle and all 11 and up individual events (except backstroke). Dives from the blocks and pool edge will be used for all relays. Five Junior Coaches from the host club will act as the "False Start Rescue Team" for 6-8 year old swimmers.

For each heat of each event:

1. Swimmers are called to the blocks. If a swimmer is missing, the starter will call the missing swimmer only once – to make sure they are not left behind the blocks – before proceeding.
2. Starter announces heat and starts race.
3. When the starting beep sounds, manual timers start watches; time automatically starts for the electronic buttons.
4. Next heat of swimmers prepares for their race.
5. When swimmers touch the wall, the electronic buttons and manual watch timers will push their buttons to record a time. **All buttons should be held behind the person, not over the water – this will prevent the buttons from being pulled out of the connection, causing system failure and meet delay.**
 - Timer 1: primary button + verify swimmer name
 - Timer 2: secondary button
 - Timer 3: third button + recorder
 - Timer 4: manual stopwatch
6. When swimmers touch the wall, the Place Judge will record the finish order, by lane. In the event of a close race, the top 1st, 2nd, 3rd spots are the most critical to document.
7. Electronic times are automatically sent to printer on pool deck. Printouts are given to Head Table Intermediary.
8. Event Sheet Runners pick up recorder sheets with manually recorded times from each lane and gives to Head Table Intermediary.
9. DQ runners pick up DQ slips from six Stroke & Turn judges and give to Head Table Intermediary.
10. Intermediary collates DQ slips (on the top), Place Judge reports (2nd), timing system printouts (3rd), and manual recorder slips (on the bottom).
11. Collated pile is taken to the data room by Data Room Runner #1. Ideally, these piles are taken often (once per event). It helps speed up the ribbon label printing process and keeps the data management smooth and even.
12. Data Room Runner #2 picks up ribbon labels and 9 copies of the results reports from the data room. Results reports are distributed to coaches (6), Head Table (1), Announcer (1), and (1) posted on the results wall. Ribbon labels are taken to the Ribbon Table Workers.

Information about the Escalation Process & Arbitration Team

Only coaches have authority to submit a protest or inquiry to the Meet Referee. If a team, parent or coach has an inquiry regarding a heat, they should escalate the questions to the Meet Referee.

For a disputed DQ, the Meet Referee meets with the Stroke and Turn Judges and coach to render a final decision.

For a timing dispute, the Meet Referee reviews documentation from the Arbitration Team, discuss the circumstances with the Arbitration Team, and will render a final decision.

The Arbitration Team consists of the Meet Referee, Intermediary from Head Table, and the host club's MDM (like another club's MDM is a suitable substitute). **The Meet Referee has the final say in all protests.**

Parent Restriction Notice

PLEASE BE AWARE:

During Champs swim events, parents are not allowed on the pool deck. Parents of younger swimmers will be allowed to accompany their swimmers to the team warm up area only until 8:30 am. All observation and cheering shall be from the bleachers. Only volunteers with the appropriate job and deck pass are allowed on deck. Parents are not allowed in the clerk of the course area due to the congestion and confusion it causes. Parents are NOT allowed to accompany their swimmer(s) to the starting blocks.

All jobs must be filled by individuals at least 18 years old.

Safety Notice

Please remember that De Anza College Pool was built with collegiate sports in mind. With large numbers of active and inquisitive kids accompanied by involved parents, we need to keep the following in mind:

- No chairs, tents or shades will be allowed in the bleachers (“Competition Viewing Area”). No “camping out” for the meet in the competition viewing area.
- Parents will not be allowed on deck once competition begins, unless they are working a volunteer job. It becomes too hard for the timers and officials to do their jobs and too hard for the swimmers to get to the blocks with parents trying to watch or assist their kids on deck. The fewer people on deck, the more smoothly the meet will run. Parents should discuss this with their younger swimmers so it’s not a surprise. (Coaches could plan how to orient the younger swimmers to the pool area before the start of Champs.)
- There is no playing allowed in the diving pool or the warm-up lanes. All pool equipment and training apparatus are owned by De Anza and should not be touched by JSSL. Children not following this critical rule can be barred from swimming in the meet.
- The railings on the spectator stands were not designed with children in mind. No one should sit on, hang on, climb on, lean over, etc., the rails. This also applies to the walls and stairwells in the complex.
- During competition the only pool open to JSSL is the competition pool. Once competition begins warm ups will be limited to swimmers 11 and older in 5 designated lanes of the competition pool.
- There is absolutely no diving or jumping in this warm-up area. A “three point entry” (keeping your hand on the side of the pool) is required in this warm-ups area. Please explain this rule to your swimmers in advance. Marshals may ask children to leave the Championship Meet if they are found playing on equipment or in pool areas that are not part of our meet.
- JSSL swimmers are allowed to use the recreation locker rooms, but the locker rooms will be shared with non-JSSL swimmers. Do not leave items unattended in the locker rooms.
- Parents may want to remind their kids not to leave the complex without permission. Multiple gates will remain open throughout the meet.
- Food is not allowed on the pool deck. Eat only in the designated areas. No cans, bottles or glass containers are permitted at De Anza College.
- No strollers or wagons are permitted and must be left at the designated area by the entrance gate.
- No chairs, tents or shades are allowed on the bleacher walk ways.
