Coach's Packet

July 15, 2018

De Anza College

Coach Responsibilities

It is your responsibility to inform your swimmers about the meet, the times they are required to be at the pool, the warm-up area rules, and generally what to do.

Summary of changes from 2017 Champs that will remain the same for 2018

- Five warm-up lanes will be available during the meet at the far end of the competition pool, for 11 & older swimmers.
- Clerk of the Course will remain in the Northwest corner.
- There will be no formal swimmer check-in before the meet.
- All races, including 25-yard swims, will start from the diving blocks. Timers/recorders will move ends.
- The non-backstroke legs of 10&U relays may dive off the blocks/side of the pool.

Coaches on Pool Deck

No more than three coaches per club may be on the pool deck during the meet. Three coach passes will be available for each club at volunteer check-in. Coaches are welcome to rotate the three passes through their club's coaching staff. This rotation is allowed as long as the "three coach" maximum is not exceeded during meet. Coaches will be provided a table and three chairs under shade tents on the pool deck.

Escalating Disputes

It is the coach's responsibility to escalate any heat and event disputes to the Meet Referee. While parent volunteers are working to make the meet run smoothly, coaches are responsible for what is happening in the pool. Only coaches have authority to submit a protest or inquiry to the Meet Referee.

For a disputed DQ, the Meet Referee meets with the Stroke and Turn Judges and coach to render a final decision.

For a timing dispute, the Meet Referee reviews documentation from the Arbitration Team, discuss the circumstances with the Arbitration Team, and will render a final decision.

The Arbitration Team consists of the Meet Referee, Intermediary from Head Table, and the host club's MDM (like another club's MDM is a suitable substitute). **The Meet Referee has the final say in all protests.**

Relays

Each team can enter only one relay team per relay event. Relay teams including at most 8 eligible swimmers (4 primary and up to 4 alternates) **must be submitted to the head table by 9 am on the day of the meet.** Any changes to the primary swimmers or swim order must be declared to the Head MDM *before the beginning of 6U relays*. No changes will be permitted thereafter. Each coach should submit 2 copies of relay cards to the Head Table. The swimmers' last and first name should be clearly printed on both relay cards. The Head Table will give 1 of the 2 copies to the Starting Block workers before the relays start to check that swimmers are in the correct lanes. The club serving as head of data for Champs will email the relay cards to the meet director and/or coaches the week of Champs.

Lunch

Coaches will be provided with lunch (up to 3 coaches per team).

Meet Entries

Heat and lane assignments will be prepared in advance and published at 7:00am the morning of Champs. No changes will be made the day of Champs. No-shows will result in empty lanes.

The meet entry process is delivered electronically. You and your team's meet data manager (MDM) make sure the meet entry process is completed by the following deadlines:

Sat July 7	Last dual meet
Sun July 8, 10am	Send final meet entries file to Brookside (Head MDM).
Sun July 8, evening	Brookside sends coaches/MDM their entry report to check for errors.
Mon July 9, 6pm	Coaches/MDM submit errors to Brookside (Head MDM).
Mon July 9, 6pm	No meet entry changes after 6pm July 9th. Brookside delivers the final file to FastLane Tek (data management) & Greenmeadow (for programs) after making final changes and generating reports for each team. Brookside sends relay cards to coaches.
Sun July 15, 9am	Relay teams must be submitted to head table (4 primary and 4 alternate swimmers for each relay event)

Coaches are ultimately responsible for team's meet entries, but many coaches work with their MDMs, who keep the personal best times and handle entries. Swimmers will not swim at Champs without submitting an entry by July 9th; **entries will not be accepted the day of the meet.** Swimmers must have competed in at least two JSSL meets during 2018.

Be sure your 6 & Under qualifying times are valid. Do not send DQ Personal Best times. If a child has been DQ'd all season in a particular stroke, you should either: 1) consider not letting the child swim that event; or 2) if the child is going to swim the event, enter a time of NT as the seed time.

Data Management will return a file to you on the evening of Sunday, July 8. This file will list the swimmers entered in the meet and their seed times. Errors are to be reported to by Monday, July 9, 6pm. This is the FINAL time to submit meet entries. Swimmers not entered by Monday, July 9, 6 pm, will not be allowed to swim. (All seeding and heat/lane assignments will be prepared based on the times you submit on Sunday, July 8.) Please work to make sure your meet entries are accurate.

July 15, 2018

De Anza College

Safety Notice

Please remember that De Anza College Pool was built with collegiate sports in mind. With large numbers of active and inquisitive kids accompanied by involved parents, we need to keep the following in mind:

- No chairs, tents or shades will be allowed in the bleachers (“Competition Viewing Area”). No “camping out” for the meet in the competition viewing area.
- Parents will not be allowed on deck once competition begins, unless they are working a volunteer job. It becomes too hard for the timers and officials to do their jobs and too hard for the swimmers to get to the blocks with parents trying to watch or assist their kids on deck. The fewer people on deck, the more smoothly the meet will run. Parents should discuss this with their younger swimmers so it’s not a surprise. (Coaches could plan how to orient the younger swimmers to the pool area before the start of Champs.)
- There is no playing allowed in the diving pool or the warm-up lanes. All pool equipment and training apparatus are owned by De Anza and should not be touched by JSSL. Children not following this critical rule can be barred from swimming in the meet.
- The railings on the spectator stands were not designed with children in mind. No one should sit on, hang on, climb on, lean over, etc., the rails. This also applies to the walls and stairwells in the complex.
- During competition the only pool open to JSSL is the competition pool. Once competition begins warm ups will be limited to swimmers 11 and older in 5 designated lanes of the competition pool.
- There is absolutely no diving or jumping in this warm-up area. A “three point entry” (keeping your hand on the side of the pool) is required in this warm-ups area. Please explain this rule to your swimmers in advance. Marshals may ask children to leave the Championship Meet if they are found playing on equipment or in pool areas that are not part of our meet.
- JSSL swimmers are allowed to use the recreation locker rooms, but the locker rooms will be shared with non-JSSL swimmers. Do not leave items unattended in the locker rooms.
- Parents may want to remind their kids not to leave the complex without permission. Multiple gates will remain open throughout the meet.
- Food is not allowed on the pool deck. Eat only in the designated areas. No cans, bottles or glass containers are permitted at De Anza College.
- No strollers or wagons are permitted and must be left at the designated area by the entrance gate.
- No chairs, tents or shades are allowed on the bleacher walk ways.
